## **ACCESSIBILITY CUSTOMER SERVICE POLICY**

### **1. Purpose**

Street Capital Bank of Canada (“Street Capital”) strives at all times to provide its services in a way that respects the dignity and independence of people, including those with disabilities. We are also committed to giving people with disabilities the same opportunity to access our services and allowing them to benefit from the same services, in the same place and in a similar way as other customers.

Street Capital is committed to excellence in serving all customers including people with disabilities and we will carry out our functions and responsibilities in the following areas:

#### **1.1. Assistive devices**

We are committed to serving people who need assistive devices to obtain, use or benefit from our services.

We will ensure that our employees are trained and familiar with various assistive devices that may be used by customers with disabilities while accessing our services or facilities.

#### **1.2. Communication**

We will strive to communicate with people with disabilities in ways that take into account their disability. We will work with the person with a disability to determine what method of communication works for them.

#### **1.3. Service animals**

We welcome people with disabilities and their service animals. Service animals are allowed on the parts of our premises that are open to the public.

When we cannot easily identify that an animal is a service animal, our staff may ask a person to provide appropriate documentation from a regulated health professional that confirms the person needs the service animal for reasons relating to their disability.

If service animals are prohibited by another law, we will explain why the animal is excluded and do the following to ensure people with disabilities can access our services or facilities:

- explain why the animal is excluded
- discuss with the customer another way of providing services or facilities

In the event a staff member is allergic to animals, alternative arrangements will be negotiated.

#### **1.4. Support persons**

We are committed to welcoming people with disabilities who are accompanied by a support person. Any person with a disability who is accompanied by a support person will be allowed to enter Street Capital's premises with his or her support person. At no time will a person with a disability who is accompanied by a support person be prevented from having access to his or her support person while on our premises.

In certain cases, Street Capital might require a person with a disability to be accompanied by a support person for the health or safety reasons of:

- the person with a disability
- others on the premises

Before making a decision, Street Capital will:

- consult with the person with a disability to understand their needs
- consider health or safety reasons based on available evidence
- determine if there is no other reasonable way to protect the health or safety of the person or others on the premises

#### **1.5. Notice of temporary disruption**

In the event of a planned or unexpected disruption to services or facilities or services usually used by people with disabilities Street Capital will notify customers promptly. This notice will include information about the reason for the disruption, its anticipated length of time, and a description of alternative facilities or services, if available.

In these circumstances a notice will be placed at all public entrances to our premises or via another method of communication depending on what it pertains to.

#### **1.6. Training**

Street Capital will provide training to all employees and volunteers, anyone involved in developing our policies and anyone who provides services or facilities to customers on our behalf.

Staff will be trained on accessible customer service within 6 months after being hired.

Training will include:

- how to interact and communicate with people with various types of disabilities
- how to interact with people with disabilities who use an assistive device or require the assistance of a service animal or a support person
- how to use the equipment or devices available on-site or otherwise that may help with providing services or facilities to people with disabilities
- what to do if a person with a disability is having difficulty in accessing Street Capital's services or facilities

Staff will also be trained when changes are made to our accessible customer service policies.
